

Online Talk

What Happened to my Skin?

Date : 17th Nov 2021 (Wed)
Time : 6.30pm – 7.45pm
Venue : Zoom Online Platform & FB Live
Moderator : Ir. Dr. Lee Choo Yong

Synopsis

The skin is the body's largest organ. It covers the entire body, and serves as a protective shield against heat, light, injury, and infection. Thus, skin is an essential organ for us not only cosmetically, but also very much to our health.

Unfortunately, skin diseases are very common in all age group.

In this talk, Dr. Yeoh will share important information about skin care, common skin diseases, and occupational skin diseases (particularly in the engineering field).
